DETAILED ACTION

Allowable Subject Matter

1. After consideration of the Applicant's remarks filed 3/19/2009 in view of an updated prior art search, the Examiner deems claims 1, 2, 4-8, 10, 11, 16, and 17 allowable.
2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to adequately teach or suggest a first display device that displays the index images in a divided display area, the first display device changing a number by which to divide the display area in accordance with a total number of the index images extracted from the moving image of a predetermined length, wherein if said total number of index images extracted from the moving image of a predetermined length exceeds a maximum, said regular interval is elongated such that said total number of index images extracted from the moving image of a predetermined length is equal to or less than said maximum.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
